**MOTION FOR LEAVE TO ELECTRONICALLY FILE**

Barbara Andersen, plaintiff and her own attorney, hereby files this motion to electronically file in this matter. In support of the motion, Andersen states as follows:

1. Andersen is an attorney in good standing in Illinois since 1998. Andersen has practiced much of her career in the Illinois state and appellate courts.
2. Andersen is familiar with e-filing in the district and appellate courts.
3. Andersen was advised that she would need to ask this Court for permission to electronically file given that she is not a practicing attorney in New Mexico, but is representing herself herein.

Wherefore, Andersen requests this Court's permission to electronically file in this litigation and be given permission to get a sign in for New Mexico.

Respectfully submitted:

/s/ Barbara Andersen
